1. Aramex Overview

Aramex is a provider of comprehensive logistics and transportation solutions. Established in 1982 as an express operator, the company rapidly transformed itself into a global brand recognized for its customized services and innovative multi-product offering. The range of services offered by the company includes international and domestic express delivery, freight forwarding, integrated logistics solutions, information and document management solutions, consumer retail services and e-commerce solutions.

In January 1997, Aramex became the first Arab-based international company to trade its shares on the NASDAQ stock exchange. After five years of successful trading, Aramex returned to private ownership in February 2002 and continued to expand and excel as a privately owned company, establishing global alliances and gaining stronger brand recognition. In June 2005 Aramex went public on the Dubai Financial Market (DFM). Today, the Aramex network encompasses more than 600 offices and employs over 15,000 people offering comprehensive logistics and transportation solutions to both retail and wholesale customers worldwide.

Domestic Business services

Package Collection Service

A convenient solution for collecting documents and packages from your suppliers and delivering them to your doorstep as per the above domestic shipping rates. For cheque collection, Aramex will charge an extra AED 10.00 per shipment.

Cash on Delivery Service

This service combines two advantages in one: speedy delivery of your products to your customers and a convenient and reliable payment method, in which Aramex collects the value of the sold goods (up to a maximum of AED 2500/-) upon delivery and delivers the collected amount back to you. Aramex will charge you as per your normal domestic rates on per transaction basis.

Return Service

Send items and receive them back at your doorstep - an ideal solution for getting documents signed or sending products that require repair and return. Aramex will charge you as per your normal domestic rates on per transaction basis.

Embassy Service

Aramex offers you the return or collect service for your passport & visa papers at very competitive rates.
Full Return Service - Aramex will collect, submit at the Consulate/Embassy, follow up and return it to you.
One Way collection service - Aramex will only collect it from the Consulate/Embassy and deliver it to you.
For any additional information please contact your designated team

Domestic Express: Temperature control service

The service covers the process of handling transportation of temperature delicate packages such like perfumes & cosmetics and any other temperature sensitive products that require an ambient temperature range between +5C to +20C throughout the transportation within the temperature control vehicles. Aramex will charge an extra AED 20.00 per shipment.

The service is not applicable for handling perishable foods
